

# INDEX TO VOLUME 15

## SUBJECT INDEX

### **Compensation**

Federal pay inside and outside the Beltway  
(Fa 95): 33-53.

Aging and work performance (SP 95): 46-61.

Age-related employment issues in Florida municipal governments (SP 95): 62-83.

### **Discipline and Grievances**

The use of employee-based grievance systems (SU 95): 73-80.

Grievance arbitration in the public sector:  
A conceptual framework and empirical analysis of public and private sector arbitration cases (FA 95): 18-32.

The experience of African American women in the academic workplace:  
Doubly disadvantaged or meeting the challenge of greater opportunity? (WI 95): 24-40.

### **Employee Benefits**

Domestic partnership benefits: Dispelling the myths (WI 95): 41-59.

The Age Discrimination in Employment Act and its exemptions on mandatory retirement for firefighters (SP 95): 34-45.

The job stress-social support buffering hypothesis: Employees' gender education and collar color (WI 95): 60-83.

### **Equal Employment Opportunity**

The experience of African American women in the academic workplace:  
Doubly disadvantaged or meeting the challenge of greater opportunity (WI 95): 24-40.

Sexual harassment policy implementation issues: Learning from a public higher education case study (WI 95): 84-97.

Human resource management's role in the future aging of the workforce (SP 95): 5-17.

The political landscape of aging policy (SP 95): 18-33.

The Age Discrimination in Employment Act and its exemptions on mandatory retirement for firefighters (SP 95): 34-45.

### **Labor Relations**

Bargaining, financial, and political bases of federal sector unions: Implications for reinventing government (WI 95): 5-23.

Grievance arbitration in the public sector:  
A conceptual framework and empirical analysis of public and private sector arbitration cases (FA 95): 18-32.

### **Performance Evaluation**

Developmental performance appraisal in municipal government: An antidote for a deadly disease? (SU 95): 17-43.

### **Personnel Systems**

Police civil service in Texas (WI 95): 98-104.
